

Southeast Dubois County School Corporation  
432 East 5th Street  
Ferdinand, IN 47532

---

Dear parents,

Thank you for communicating your desire to utilize our COVID Academy online option. In partnership with Edmentum, we are in the process of getting your child(ren) set up with EdOptions Academy. To view helpful videos and resources for getting started, please visit this parent resource [site](#).

On the first student day, Wednesday, August 12th, we expect to have students enroll, select courses (if applicable), and be up and running with at least one course (hopefully more) by the end of the day. As you know, it will be a learning curve for all of us, so we appreciate your patience and understanding as we get started.

Chromebooks will be available for pick-up on Monday, August 10th from 1:00-5:00 at the Forest Park main entrance. If you need to schedule a pick-up time outside of that window, please contact Tami Hochgesang at [tami.hochgesang@sedubois.k12.in.us](mailto:tami.hochgesang@sedubois.k12.in.us) to schedule an appointment.

It is important to note that, according to current state guidance, students participating in the COVID Academy will still be required to take ILEARN and other state assessments on site. If the state guidance remains the same, we will accommodate individual needs for in-person testing.

Please look for more information regarding account set up and getting started guidance next Tuesday or Wednesday. The corporation contact for our online academy is Natalie Howard. You can reach out to her at [natalie.howard@sedubois.k12.in.us](mailto:natalie.howard@sedubois.k12.in.us). We look forward to a successful year!

Sincerely,

SED Administration
