  - Cannelton
  - Perry Central
  - Tell City
  - Heritage Hills
  - Forest Park
  - Southridge
  - Dubois
  - NE Dubois
  - Pike Central
  - Wood Memorial

# WHY

- Start planning now!
- Be realistic
- Have conversations with your family about Future Plans
- How are WE going to pay for college?
- Student Loan Debt- US Average student loan debt for 2016 Grad is \$37,172

High School Education must be focused on training students for success after high school. College, 2 year degree, industry certifications, and focused OJT are all successful methods of training.

# The FACTS!!

In 1975, 25% of the jobs in Dubois County required a Bachelor's Degree. About 25% of High School students attended a post-secondary institution.

In 2017, 25% of the jobs in Dubois County require a Bachelor's Degree. About 75% of High School Students attended a post-secondary institution.

Of the Dubois County 2010 Graduating Class, 31% graduated from a public 2 or 4 year institution in 4 years. That is top 5 in the state of Indiana.

From the Dubois County 2008 Graduation Class, 42% graduated from a public 2 or 4 year institution in 6 years. That is top 5 in the state of Indiana.

We want to provide opportunities for student success. College, 2 year degree, industry certifications, and focused OJT are all successful methods of training.

Approximately 80% of jobs in Dubois County require post-secondary training.
