Platform Overview→ 5 Tabs/Pages

This document is a written explanation of the 5 Tabs or Pages that make up our Platform. You may also view a video reviewing each of the 5 Tabs/Pages by clicking [HERE](#).

1. Platform overview---

a. The 5 tabs appear on the left side of any page as you move your cursor to that area of the page. Click on symbol to go to the page associated with the tab.

b. The 5 tabs (pages) are as follows:

i. Week Tab/Page

1. First page to open for student
2. Used by students to plan day and week.
3. Place for students to document smart goals for each subject
4. Students may also click on subject title to access grade page.
5. Also gives students notice for their next mentoring session.

ii. Year Tab/Page

1. This could be considered the Dashboard for students
2. Used by students to access teacher developed content
3. Can think of this as the digital equivalent of 4 teacher binders of instructional materials based on our Indiana Academic Standards
4. Blue pacing line gives guidance for students to help them complete all required work for the school year.
5. The page is also a snapshot of student progress by subject
 - a. Hover over topics in the rectangular boxes to see more detail
 - b. Colors have meaning
6. Students click on the boxes for instructional materials
7. Also gives students notice for their next mentoring session

iii. Progress Tab/Page

1. Listing of your son/daughter's completed activity by day. Examples of activity include:
 - a. Results of a content assessment
 - b. Work submitted to teacher for assessment or feedback
 - c. Feedback from teacher
2. Student grades
 - a. Click on each subject for detailed information on grades earned

iv. College Tab/Page

1. This page is not used a great deal by our students.
2. Students will set goals for grades for the school year by subject.

v. Resources Tab/Page

1. Learning Strategies
2. Cognitive Skills
