Parent Account for and Automated Text Messaging from the Platform

We have the capability to set up a parent account and automated text messaging account for you with our Platform. You are not required to do this. Your student may show you his/her progress on his/her student account.

****We ask that all parents complete this form and return to school.**

Your Name:	
Your student's name	
Your student's grade	
Your student's homeroom	

****Please check your choices below.**

- I want a Platform Parent Account
 I do not want a Platform Parent Account
 I want to receive automated texts with updates from the Platform
 I do not want to receive automated texts with updates from the Platform

Complete the information requested below if you wish to sign up for a Parent Account and/or automated text messaging updates.

Our students have unique usernames on the platform.. Additionally, our student's email addresses do not include student names. If you wish to have a Parent Account and maintain this level of privacy, consider creating a gmail account to use for your Parent Account. We plan to use the same username pattern for you as we do for your student. You may use your current email address if you wish.

****Check one below:**
