# Specified Disease Organ Transplant Insurance

National Union Fire Insurance Company of Pittsburgh, Pa.  
with its principal place of business in New York, NY

Your medical plan purchased a separate policy to cover your transplant service needs. If you are advised by your physician that you may need a transplant, call our Transplant Intake Specialist at 888-449-2377 immediately.

- For information about your transplant benefits, please call our Transplant Intake Specialist at **888-449-2377**.
- This policy **requires pre-authorization** prior to any transplant physician visits or subsequent transplant services.
- This policy has **in-network and out-of-network benefits**.
- Once your information is processed, a Transplant Nurse Advisor will be assigned to you to help you with using the benefits throughout your transplant episode of care.

Note: This card provides specified disease organ transplant benefits contact information, and does not mean or imply that a transplant is medically necessary, medically appropriate for your condition, or a covered benefit. If you change insurance, please destroy this card.
