Supercalifragilisticexpialidocious

Supercalifragilisticexpialidocious!
Even though the sound of it
Is something quite atrocious
If you say it loud enough
You'll always sound precocious

Supercalifragilisticexpialidocious!
Um-dittle-ittl-um-dittle-
Um-dittle-ittl-um-dittle-

Because I was afraid to speak
When I was just a lad
Me father gave me nose a tweak
And told me I was bad
But then one day I learned a word
That saved me aching nose
The biggest word you ever heard
And this is how it goes

Oh, supercalifragilisticexpialidocious!
Even though the sound of it
Is something quite atrocious
If you say it loud enough
You'll always sound precocious

Supercalifragilisticexpialidocious!
Um-dittle-ittl-um-dittle-
Um-dittle-ittl-um-dittle-

He traveled all around the world and everywhere he went
He'd use his word and all would say there goes a clever gent
When dukes and Maharajahs pass the time of day with me
I say my special word and then they ask me out to tea

Supercalifragilisticexpialidocious!
Even though the sound of it
Is something quite atrocious
You’ve Got a Friend in Me

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me
You've got a friend in me
You've got a friend in me
You've got troubles, and I've got 'em too
There isn't anything I wouldn't do for you
We stick together and can see it through
'Cause you've got a friend in me
You've got a friend in me
You've got a friend in me
Some other folks might be
A little bit smarter than I am
Bigger and stronger too, maybe
But none of them will ever love you
The way I do, it's me and you, boy
And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me

Let It Go

The snow glows white on the mountain tonight
Not a footprint to be seen.
A kingdom of isolation,
and it looks like I'm the Queen
The wind is howling like this swirling storm inside
Couldn't keep it in;
Heaven knows I've tried

Don't let them in,
don't let them see
Be the good girl you always have to be
Conceal, don't feel,
don't let them know
Well now they know

Let it go, let it go
Can't hold it back anymore

Let it go, let it go
Turn away and slam the door
I don't care
what they're going to say
Let the storm rage on.
The cold never bothered me anyway

It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all

It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me,
I'm free!

Let it go, let it go
I am one with the wind and sky
Let it go, let it go

You'll never see me cry
Here I stand
And here I'll stay
Let the storm rage on
The cold never bothered me anyway!
